

The excellence of the Made in Italy at the POLO CLUB SAINT-TROPEZ

An Italian eyewear brand with a high technological content. Innovation, creativity and excellent performance are the keys to the success of Zerorh+, able to combine technical functionality, sophisticated design and a strong sporting appeal.

An established Italian company leader in technical boot creation. Alberto Fasciani's footwear collection is entirely handmade according to ancient craftsmen's traditions but, through its technical and stylistic innovations, the result is a totally unique product in terms of style and quality. Same as per regular walking shoes and technical sporting footwear.

Alberto Fasciani and Zerorh+
are

Official Technical Suppliers Sponsors of the Polo Club Saint-Tropez

They will wait for you at their stands during the following polo competitions at the Polo Club Saint-Tropez:

Hippocampus Cup 25th-27th April 2008

International Polo Cup Saint-Tropez 11th-13th July 2008

Zerorh+ will offer a prize to the winning team of the International Polo Cup: a supply of high-class technical eyewear, created especially for polo players. The glasses will be personalised depending on athletes' individual eyewear requirements and will have special NXT lenses (unbreakable, scratch-resistant able to protect the eyes from any accidental blows).

Polo Gold Cup 12th-14th September 2008

Alberto Fasciani will award the winning team of the Polo Gold Cup with its exclusive polo boots created in a special edition with all the style and top quality of the Italian handmade manufactures. Fasciani will also offer technical assistance for a period of six months after the competition.
